Notification dated 4th November 1929.

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer, Bangalore, up to 2 P.M., on Friday, the 29th November 1929 for—

Extending the Central Stores Building for accommodating the office staff.

The tenders will be opened in public at 2 P.M., on Friday, the 29th November 1929. The monthly progress should be not less than Rs. 1,000 and the work should be completed in every respect by the end of April 1930.

2. The plans, detailed estimate and the conditions may be seen at the Chief Electrical Engineer's Office, Bangalore, on all working days during office working hours.

3. Each tender must be accompanied by a deposit of Rs. 250 in cash or Government Promissory Notes, as earnest money and be superscribed "Tenders for extending the Central Stores Building for accommodating office staff," in default of which, tenders will be rejected.

4. Tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed. The rates should be in figures as well as in words.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful tenderer will be posted on the Notice Board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The construction work should be started within a fortnight from the date of the notification of the acceptance.

10. Water for construction should be got at the contractor's own expense.

11. Specifications for work are those recognised by the Mysore Public Works Department and Marryot's Specifications.

12. The contractor should be bound by the conditions of the Schedule of Contract of the Electrical Department.
